National Association Warns Against Use of Quack Remedies.

In view of the constant agitation and misrepresentation with immune against the disease. regard to the treatment of con- Many of these serums have sumption, the National Asso- proved effective in increasing ciation for the Study and Prevention of Tuberculosis has is sued a statement in which it to have discovered a tuberculine states that the only sure cure for which will produce a cure, withthis disease is fresh air, rest, and out the combined aid of fresh wholesome food.

Hardly a week passes without some quack "doctor" or "eminent specialist," informing the public that he has at last discovered the sure cure for tuberculosis. After examining every one of these so-called cures, several hundred in number, the National Association states that

TWO CLASSES OF "CURES."

These so-called "cures" are divided into two general classes. The first class of "cures" includes the quack remedies and our people here. The writer is nostrums with which the public is being constantly deceived. Henderson county, it's no mis- Hendersonville, North Carolina. These range in kind from "good take.

whiskey" to pig's blood or ultraviolet rays. Some few of them, for instance, are cod-liver oil, lime dust, malt extract, goat's meat, corn-oil, clabbered milk, Staton's new cash shoe store vegetable teas, and numerous will occupy Mr. Boyd's Main st. inhalations, of supposed germibuilding (at present the Ideal cides, besides a large number of Fruit Store) about April 1st. A well-known patent and proprieplate glass front will be put in tary medicines and numerous and the room remodeled to suit disinfectants. None of these an up-to-date shoe store. The are cures for consumption. They are rather for the most part of a dangerous character, and patients who take them may be running a serious risk. Consumption is caused by a germ which destroys portions of the lungs or other affected tissues. No drugs, medicines, inhaled gas, or homemade remedies can, by any means, kill the germ or close up the cavity in the lungs, as is so often claimed for these specifics. Neith is it possible to inhale a sufficiently strong germicide to kill the consumption germ. Such Telling his wife that he was an inhalation would kill the

Another class of "cures" for all the doors and slashed his unscrupulous "doctors" "proill health can be assigned for the sumption at home by means of remedies which are secret and meats known only to them, or sometimes they advertise that they can cure consuumption at the "institutes" through some secret course of treatment. Again the legislature on the gound that National Association asserts that disease and refuse to make it known because of pecuniary motives.

CURE POSSIBLE.

stored to health. The essentials of Fletchers station. for the cure of consumption are rest, fresh air and wholesome food. A large number of physicians have been working for years to perfect a vaccine, or Be Cured? anti-toxin for tuberculosis, or to culine which will assist in the the experiments have not furnished a product which will absolutely cure or prevent consumption, or render the patient the resistance of the patient and thus helping in the cure, but no scientist of repute today claims air, rest and wholesome food.

Sherman Ward visited G, L Osteen on Mud Creek, Saturday. J. D. Mayhin has about com-

this section. It is rumored that a big saw mill will come here if the people

want it. We certainly need one. Rev. J. W. Moore of Hendersonville preached an excellent

sermon at Lockwood Sunday.

We dont hear much complaint about the new Road Law among one who believes in the prosperity of Hendersonville and UNCLE IKE.

### Better Shoes for Less Money

Shoes are the most important necessity that you buy. You want them to possess three qualities:

Style-Any maker can furnish it. There is no monopoly. Comfort—A matter of proper fitting-good store service. Value—Greatest wear and service for the price paid.

Value is the most important and most difficult quality to get in shoes. The best value can only be produced by the greatest reduction in profits and manufacturing costs. ~ ENDICOTT-JOHNSON CO. Is the first and only shoe house in the World to make shoes

An inspection of these shoes will convince you that your next pair should be ENDICOTT-JOHNSON CO.
